

High Gloss Collection

Conestoga's **Synchronicity** High Gloss program offers three levels of extraordinary gloss finishes available at multiple price points. That's three ways to create ultimate contemporary gloss kitchens – each choice offering aesthetically appealing and highly durable surfaces. With 21 stunning colors, patterns, and wood grains from which to choose, this collection also includes four shades of ever-popular white. High gloss finishes never possessed such high appeal...until now!

*High Gloss Desirability
Raised By A
Factor Of Three!*

- Three levels of high gloss coatings: from **PET film (Mera)**, to our **UV Lacquer (Multa)**, to the innovative glass-like European **PET-G material (Vetro)** – even thicker for the highest durability and deepest-depth beauty.
- High gloss sheen levels are 90% for the PET and UV Lacquer coatings, and 95% for the PET-G.
- Matching high gloss ABS edgeband available in 1mm rolls you can apply to your own cabinetry.
- Exceptional heat, scratch, and chemical resistance, as well as UV resistance to inhibit discoloration.
- Extremely easy cleaning and care at all gloss levels.
